Good morning, Douglas

The MPCA has a new information request form. Please use the link below. Also, share with others that use our records requests system as well. The MPCA doesn't not label our records according to property, Tax, or parcel ID#'s. An exact address or MPCA preferred ID# will be needed to search our records. The information request form has an area **Information requested**, where you can **Describe the information that you need (be as specific as you can).** Once your request form is received it will be processed and assigned to a file manager for completion. The attached letter will be given to the file manager assigned to complete the request.

This link has replaced the PDF form. Thank you and enjoy your day.
