Subject: Re: Minnesota Housing Data Request

Dear Good People,

Thank you for acknowledging my data request on October 22. Please update the email address for correspondence about this request to contact@douglastjohnson.com.

I'd also like to clarify the scope based on records I recently received from the City of Red Wing. Please include records Minnesota Housing holds concerning CB Red Wing Housing Limited Partnership and its general partner, CB Red Wing Housing GP LLC, as they relate to Maple Hill Apartments in Red Wing. This includes relevant ownership, financing, funding, regulatory agreements, monitoring or compliance records, and communications about the property or its renovation.

Please associate this clarification with my pending request. If you need me to narrow the scope or submit a separate request, please let me know.

Thank you,

Douglas T. Johnson

Subject: Minnesota Housing Data Request

Hello,

This message is to acknowledge receipt of your data request. Agency staff are in the process of identifying and assembling the requested materials. The timeframe for producing these materials depends on the size and complexity of your request. We may reach out for additional details if we require more information. If you have any questions or additional information to share, please respond directly to this message.

Best regards,

Data Practices Team
