Subject: Re: Data Requests

Hello Mrs. Hill,

Thank you for asking. By “property staff,” I mean the on-site management and maintenance staff for Maple Hill Apartments who dealt with Unit 109, the renovation, maintenance or environmental concerns, inspections, or related communications with the City.

The staff members I can identify by first name are Patrick (Management) Stacy (Management) and Maurice (Maintenance). I don’t know their last names or email addresses. The relevant property and management entities include Maple Hill Apartments, Maple Hills Limited Partnership, CommonBond Communities, Lloyd Management, CB Red Wing Housing Limited Partnership and its general partner, CB Red Wing Housing GP LLC,

Please use those names and entity or property names, along with any staff names or email addresses appearing in City records, to search for responsive communications. I’m not asking you to identify people outside the records or to guess their contact information.

Thank you,

Douglas T. Johnson

Subject: Data Requests

Hello Mr. Johnson,

I am beginning to compile information regarding your data request dated October 14th, 2026. In your request, you ask for public communications between multiple entities, including "property staff." We do not know who "property staff" are. If you'd like me to follow up on this part of the request, you will need to provide the specific names or email addresses of those people. Without that information, I have no way of searching for those communications.

Thank you,

Melissa Hill | City Clerk
Administration
City of Red Wing | redwingmn.gov

315 W Fourth St. | Red Wing, MN 55066
Office: 651-385-3615 | Cell: 630-745-7600
